Activité

ODDO BHF Asset Management Luxembourg is a leading European asset manager and part of the ODDO BHF Group. In an international environment, we combine the stability of an established financial services group with the entrepreneurial spirit and agility of an innovative investment manager. Our employees actively shape the future of asset management and benefit from short decision-making processes, an open corporate culture, and diverse opportunities for professional development.

Descriptif du poste

Your responsibilities:

- Reviewing investment recommendations and implementing them in consultation with advisors
- Conducting ex-ante investment limit checks, entering and forwarding orders to the group's internal trading desks, and monitoring execution quality
- Recording and maintaining investment restrictions in accordance with client specifications, and coordinating with Risk Control regarding compliance with investment limits
- Liquidity management for all funds
- Serving as the point of contact for onboarding new advisors and external portfolio managers in close collaboration with client relationship managers and the legal department
- Contributing to outsourcing control, particularly in monitoring outsourced portfolio management activities
- Support with regulatory and administrative tasks in day-to-day operations
- Participation in projects aimed at optimizing, digitizing, and automating processes

Profil et compétences recherchées

Our Requirements:

- A bachelor's degree in economics or comparable education
- Interest in capital markets; initial experience in portfolio management or securities trading is a plus
- A structured, meticulous, and independent work style, as well as strong teamwork skills
- Strong IT skills and an interest in AI applications and digital technologies
- Proficiency in MS Office; experience with Bloomberg or programming languages is a plus
- Very good written and spoken German and English; knowledge of French is a plus

This position is open to people with disabilities. We will support you during the recruitment process and once you have been recruited, to adapt and/or facilitate your life within the company. Do not hesitate to ask questions during the HR interview.
