Beschreibung des Unternehmens

Die ODDO BHF SE zählt zu den führenden Adressen der unabhängigen Privatbanken Deutschlands. Unsere Kunden sind sehr vermögende Privatanleger, vorwiegend mittelständische Unternehmen sowie institutionelle Investoren. Wir haben uns der professionellen und individuellen Beratung verschrieben. An unsere Mitarbeiter stellen wir die hohe Anforderung, dass sie mit ihrem Arbeitsbeitrag und ihrer Persönlichkeit dieser Maxime entsprechen.

Stellenbeschreibung

Aufgaben

ODDO BHF's Information Security Management (ISM) team is tasked with protecting the company and its customers from cybercrime and enabling digital innovation in a secure IT environment. The Information Risk Management team, which is part of the ISM team, is mainly tasked with strategic foresight of risks in and around the organization. We are looking for an intern to actively support the following tasks:

- Support into the information risk management lifecycle (incl. identification, assessment, monitoring, reporting)
- Support in the technical design of mitigation measures together with Business & IT
- Preparation and improvements of cybersecurity related documentation and guidelines
- Preparation and coordination of presentations for the various committees
- Preparation and improvement of reports

Your team and your environment

The Information Security Management (ISM) team consists of 50 people with varying levels of cybersecurity expertise in three countries: France, Germany, and Tunisia.

Anforderungsprofil

Anforderungen

- Ongoing Bachelor's or Master's degree program
- Diligence and organization
- Advanced knowledge of visual design
- Good communication skills (written and oral) with the ability to convey complex information in an understandable way
- Creativity and initiative
- Skills in project management and cross-departmental collaboration
- Understanding of basic cybersecurity concepts and technologies is required
- Knowledge of the banking sector is an advantage
- Fluent in English, knowledge of German and/or French is an advantage
- Start: August 2026 for at least 4-6 months

We look forward to receiving your online application, stating your start date and the duration of your availability
